Card Stock – Blackberry Bliss/Lost Lagoon/Hello Honey, Whisper White

DSP – 12 x 12" sheet of DSP (Wildflower Fields)

1. Stamp and colour your Note Cards as per below photos.
2. Score your sheet of DSP at 1 7/8", 5 3/4", 6 1/4" and 10 1/8". Turn DSP 90° and score at 2 1/2" and 8 1/4".
3. Fold and flatten sheet at 1 7/8" and 10 1/8" score line and then re-open.
4. Fold in each corner just under the 1 7/8" score line to form right angle triangles – see template below.
5. Re-fold sheet inwards at the 1 7/8" and 10 1/8" score line.
6. Turn paper over and fold in at the horizontal score lines towards the centre.
7. Tuck in the bottom panel under the top flap to finish folder and flatten all seams with bone folder. The overlap holds the folder in place. **NB:** the folder may sit better if you tuck the top under the bottom.
8. Fold centre scorelines – this becomes the spine of the folder.
9. Stamp a flower image on the Whisper White Oval and colour in. Adhere the larger coloured oval to the front of the folder. Insert your Note Cards and Envelopes, tie the Bakers Twine around the folder and adhere the Whisper White Oval over the top with dimensionals. Attach a Rhinestone to the Whisper White Oval.
