	Heat Embossing	Vellum	Acetate	Whisper White Cardstock	Watercolouring images (the outline)	Alcohol based Pens	Special Cleaner Required
Classic Ink (water based)	No	Takes a long time to dry, if it dries at all.	No	Yes	Ink will spread when wet, so a great choice for the "colouring" medium, but will bleed if used as the "outline"	Yes	No
Staz-On (Alcohol Based)	No	Yes	Yes	Yes	Yes	No	Yes
White Craft Pad	Yes	Not the best	No	Yes, but won't show much	No	Yes	No but best to clean off before it dries
Memento Black (water based)	No	Yes -takes time to dry	No	Yes	Yes, but not the ideal choice	Yes	No
Archival Black or Gray (water based)	No	Yes – takes time to dry	No	Yes	Yes	Yes	No, but does stain.
Versamark	Yes	Yes – takes time to dry	No unless heat embossed	Yes	No unless heat embossed	Yes if heat embossed	No but it is sticky
Stampin' Write Markers (water based)	No	Yes – takes time to dry	No	Yes	No	Yes	No
